

Dear supporter,

We are coming to the end of our first year as a project and it has been great to support hundreds of young people in and around the city centre. Our website is being constantly updated with activities for young people at The Inspirations Studio base - The Old Still, Westgate Arcade. We continue to work with a number of different agencies to support even more activities for 13-19 year olds in the City including: Beat This CIC, Blok Collective, Christian Aid, Peterborough City Council and Young Lives. We are also grateful to our many funders who will be appearing on our website in the next few weeks as part of our Annual report.

UPDATES

Inspired Underpasses

The fundraising effort has started already for our work this year and we are grateful to Creative Peterborough and Young lives Dragon Den for their contribute to our next Inspired Underpass project in April. We are just £300 away from our total which the young people hope to raise from supermarket bag packing this spring. The project will transform the Bluebell underpass in Dogsthorpe wit youth groups from the local areas and The Inspirations Studio.

Thursday Drop-ins and 'Inspiring Young Volunteers' Project

We have started our 'Inspiring Young Volunteers project' and Thursday drop-ins. These are currently on hold for the next two week due to staff leave. However the work does not stop as young people are preparing flyers for upcoming events and drop-ins, and Joseph our intern starts collating volunteering opportunities.

Young Peterborough's Got Talent 2012

If you know any talented Young people please encourage them to take part in Young Peterborough Got Talent. Heats are on across the city including Tuesday 24th January, 4-8pm at The Inspirations Studio, The Old Still, Westgate Arcade. Details are attached.

National Citizenship Service

The Inspirations Studio has joined a young lives consortium to deliver the National Citizenship Service this summer. The scheme funded by the Cabinet Office encourages team work and volunteering for school leavers. We will be responsible for supporting 32 young people in Peterborough through residential and community projects. It was important to us and I am glad to announce that we have the resources to host some young people with moderate or severe physical disability/ learning difficulties in order that they can access the scheme with a variety of young people from across the city.

Charity Status

Churches Together in Central Peterborough has become recently a registered charity. Though this does not mean major changes for operation of The Inspirations Studio it

will make it a lot easier to obtain grant funding and donor giving. More information will follow in future newsletters about how you can become a Friend of the Inspirations Studio.

Regards

The Inspirations Studio team
